Years of continuous existence

18

Have any changes been made in your governing instruments?

<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
------------------------------	--

Purpose or mission of organization

To holistically improve the lives of our community through training, mentor-ship, and example.

Adult Life Training exists to provide free training services such as basic job and life skills, to make free and freely available the materials used in training and the results of research, to develop the character of the clients so that they may become more self sufficient and better citizens and sustain social progress; and any other lawful purpose
